

Philippines Update October 2015

Hello Everyone,

Here is an update from our trip in October. I could take many pages to try to explain how wonderful a trip it was. But, as they say, a picture is worth a thousand words. We literally weathered a Typhoon as well experienced a 5.4 magnitude earthquake. So we fought wind, rain, our building swaying and the usual attacks by Satan to try to prevent the Gospel from being proclaimed. But none of that thwarted the mission at hand. So please enjoy the pictures and know that you were such a large part of this trip. Shekinah Glory continues to grow in number and it has encouraged them and motivated them beyond measure to continue to reach out with the Gospel of Jesus Christ. By the end of the week we spoke to well over 7000 people. We spoke before Government officials, in Schools, in Prisons, on Basketball courts and in Churches. The work is not done. As Shekinah Glory continues to build their Church, they are still looking to plant new Churches in the near future. You will see many pictures of Pastor Kevin and Kandace but I assure you I was there. Thank you again for all your generosity and prayers as we see God do great things within this ministry. God Bless!
